## May All Your Miles Be Merry

Well the year is nearly over and it time to reflect on the past twelve months. As a club we have shared good times and sad times. We have seen the highs and lows of what running and racing can offer; from PBs to failing to finish.

Looking forward to next year, 2019 will see the return of some of our old favourites such as Run to the Pub, Curry Night, Canal Run and our Club Handicap race. We'll be bringing back the Nearest Time for a Mile as well as plenty of other new activities to our Wednesday training evenings.

As winter turns into spring we hope to have a strong end to the Cross Country season. We are also going to introduce a new Track & Field Championship in the summer and also have a shakeup of the rules of our existing Club Championship competition. Most of all we hope that 2019 will be a successful one as a Club and that you as our members are able to achieve your individual running goals and more.

Merry Christmas and have a happy new year. May all your miles be merry.
